

Building Chatbot And Integrate To Application

Date	02 November 2022
Team ID	PNT2022TMID19425
Project Name	Smart Fashion Recommender Application

BUILDING CHATBOT:

The screenshot shows the IBM Watson Assistant console interface. The top navigation bar includes the IBM Watson Assistant logo, a 'Lite' plan indicator, an 'Upgrade' button, the project name 'HOSPOTIAL', and a 'Learning center' link. The main content area is titled 'Actions' and features a sidebar with navigation options: 'Actions' (selected), 'Variables', and 'Saved responses'. Under 'Actions', there are sub-options: 'Created by you' (selected), 'Set by assistant', and 'Set by integration'. The main table displays a list of actions created by the user:

Name	Last edited	Examples Count	Status
Hai	2 hours ago	1	✓
Male	38 minutes ago	1	✓
Female	21 minutes ago	1	✓

At the bottom of the table, there is a 'New action' button. The footer of the console shows 'Items per page: 50', 'Showing 1-3 of 3 actions', and a 'Preview' button.
