The screenshot shows the IBM Cloud CLI documentation page. The left sidebar contains a navigation menu with sections like 'Get started', 'How to', and 'Expand all | Collapse all'. The main content area is titled 'Getting started with the IBM Cloud CLI' and includes an introduction, a list of tools to install (Blink, Docker, Helm, Kubernetes, OpenShift), and a 'Before you begin' section with prerequisites. A right sidebar shows a 'On this page' section with a list of steps: 'Before you begin', 'Step 1: Run the installation command', 'Step 2: Verify the installation', 'Step 3: Install CLI plug-ins and tools', 'Step 4: Configure your environment', and 'Next steps'. A 'Feedback' button is visible on the right edge of the page.
