The website's navigation bar includes links for HOME, ABOUT, and CONTACT US. The main heading is "Home Page", followed by the subheading "OUR PRODUCTS". Below this, there are four product categories: Mens, Boys, Women, and Girls. Each category features a representative image and an "ADD TO CART" button. A chatbot interface, titled "Watson Assistant", is overlaid on the right side of the page. The chatbot's conversation history shows a greeting from "Hari Haran" as a fashion recommender, a selection of "Male" gender, and a choice of age range "1 - 10". It also includes a note about the chat session being inactive and a prompt to refresh the page. The chatbot is built using IBM Watson.
